## Specialist Tenant Liability Insurance

Accidents happen. But for just £5.00 a month (by direct debit) you can be protected against paying for any damage to your landlord's property, fixtures, fittings and furniture. You'll also be covered against time-consuming deposit disputes. Remember, many tenancy agreements state that a tenant should insure themselves against damage before commencing the tenancy.

---

### What is covered:

- Accidental damage to the landlord's household goods
- Accidental damage to the landlord's non-permanent fixtures and fittings (like carpets and curtains)
- £2,500 cover level
- Policy runs for 12 months
- Policy underwritten by UK General Insurance Ltd on behalf of Agent's Insurance Limited
